

I was having ongoing problems with water seeping into my basement. After Surwilo upgraded my drainage system, I now have wall-to-wall carpeting installed!

*Sean, Eastchester, NY*

Surwilo contracting responded to our problem very quickly and began work within the week. Even though a new issue came up with our pipe replacement, they had the resources to make sure the sewer pipe was replaced on schedule.

*Lou Loglisci, Treasurer; Myrtle Terrace Condominium Association of Stamford*

Ed Czescik, President of Surwilo Contracting provides excellent, on time service. He is reliable, responsible and is onsite himself to oversee a project and his associates from beginning to end.

Ed is a man of integrity and honesty and he provides dependable, reliable service to each customer. For the opportunity to deal with a trustworthy contractor, call Surwilo Contracting Company.
